

## ResMed CPAP Therapy Plans – Terms

---

We will provide you with products and replenishment products in accordance with the therapy plan you selected. Details of the therapy plans is set out at the end of these terms.

Please note, if we stop selling a product available under the plan, we will provide you with a substitute product.

### Fees

When you start the therapy plan, you pay an initial instalment fee. Within the first week of sign-up, at your selected day, you will start paying a weekly fee over 36 months (156 weeks). The initial instalment fee and the weekly fee is set out in your therapy plan. We only accept payments via credit card. We will not charge you interest, administration or other fees. If you fail to pay the weekly fees, we will stop supplying you with the products and services until you have paid all outstanding weekly fees. You will own and be able to keep the products you have received under the plan once you make full and final payment of all fees due over the life of your plan.

If you fail to pay all outstanding weekly fees, we reserve the right to terminate your plan after providing you with a written notice. If we terminate your plan, you will be liable to pay the remainder of the weekly fees under your plan immediately. We may look to recover any other costs and exercise any rights available to us by law.

### Risk and Title

Risk of any loss or damage to products and title to the products will pass to you when you take physical possession of the products or when the products are delivered to you.

### Termination

We can terminate your plan if you fail to pay the weekly fee. We may allow you to terminate your plan, but you will be liable to pay a cancellation fee calculated as the weekly fee payable multiplied by the number of weeks remaining under your plan.
