About AirSense 10 Elite

Featuring Resmed's latest technology, AirSense 10 Elite offers you a new beginning in great sleep. As Resmed's premium fixed pressure device, it features our best technologies, including:

- Built-in wireless connectivity** for access to remote support
- Built-in HumidAir™ heated humidifier with Climate Control to maximise comfort and ease-of-use
- ClimateLineAir™ heated tube helps deliver warm, humidified air
- AutoRamp™ with sleep onset detection makes the beginning of each therapy session more comfortable
- Central sleep apnea (CSA) and Cheyne-Stokes respiration (CSR) detection
- Expiratory pressure relief (EPR™) reduces pressure during exhalation.

*sleepvantage membership required. Members receive an extra 3 years warranty in addition to the 2-year manufacturer's warranty.

**Wireless communication depends on network availability
