About AirMini

AirMini is one of the world's smallest CPAP device*, making it suitable for regular therapy at home and while you're away. With the same established therapy algorithms as our best-selling bedside devices, you'll never have to choose between freedom and performance again.

- Three therapy modes: AutoSet™, AutoSet for Her and CPAP
- HumidX™ waterless humidification for portable comfort**
- AutoRamp™ with sleep onset detection makes the beginning of each therapy session more comfortable
- Expiratory pressure relief (EPR™) reduces pressure during exhalation
- Dedicated AirMini App for easy setup and ongoing support
- Bluetooth™ connectivity for remote therapy control from your smart device via AirMini App

*sleepvantage membership required. Members receive an extra 3 years manufacturer's warranty in addition to the 2-year manufacturer's warranty.

**Currently available for all AirMini compatible masks excluding AirFit F30.
